CONDITIONING BODY SCRUBS

Treat your skin to a scrub that leaves it feeling soft and velvety smooth. Choose from a variety of scrubs with pure natural ingredients to accommodate sensitive, normal or dry skin.

EUPHORIC COFFEE SCRUB

50 minutes

Exfoliate, tone and rejuvenate with an intensely vitalizing scrub that blends coffee, black olive, crushed almond, neroli, orange and lemon peel and fresh lemon juice. The finish is a light application of cardamom oil.

OCEAN SCRUB

50 minutes

A wonderfully restorative, exfoliating body treatment that cools skin on contact. Antibacterial essence of laurel opens the airways, while spirulina intensely hydrates. Dry brushing with organic Dead Sea salts stimulates the lymphatic system, while an application of biodynamic honey and essential oil leaves skin supple and calm.

OHANA CIRCULATION POLISH

50 minutes

An exfoliation with crushed bamboo, bamboo sap and oils of ginger and fir removes rough, dry skin and stimulates circulation. Finish with your choice of a warming rubdown with intensely moisturizing wild lime oil, or a cooling application of a protective cream made with plum blossoms and silk.

WORLD OF RELIEF BODY BUFF

50 minutes

Your choice of organic essential oils from around the world, combined with organic Dead Sea salts and a thorough dry brushing stimulates and exfoliates. A finishing application of biodynamic honey and essential oils – choose from any of seven luscious aromatherapeutic botanicals – hydrates and nourishes.

ORGANIC BODY WRAPS

Experience the warm, muscle-melting embrace of a body wrap.

EUPHORIC DETOX WRAP

MINERALIZING MARINE CLAY WRAP

50 minutes

This unique body wrap features an organic mineral-rich natural clay – produced from naturally ground Atlantic Ocean coral – combined with algae extracts. The coral clay contains multiple minerals and vitamins to detoxify and leave your skin velvety soft. (No coral is harmed in harvesting this clay.)

Peat wraps have long been used in Eastern Europe to treat a variety of skin and rheumatic conditions. This wrap, which mixes organic seaweed extracts with micronized peat, offers potent detoxification because it's richly infused with trace elements, vitamins, carbohydrates, polyphenols, lipids, and, especially, humic acid. Research has shown that humic acid has an astringent effect and helps speed the release of toxins from the body.

TANGLE ME UP WRAP

50 minutes

This soothing body wrap contains ground *Laminaria digitata* algae, which helps relax tired muscles, relieve stress and banish fatigue. The powerful antioxidant compounds work to firm and tone your skin, alleviate the appearance of cellulite and signs of aging, and help protect against cell damage from environmental toxins. Your treatment includes a full body brushing to increase circulation and aid infusion of the potent seaweed gel.

RITUALS

Experience a multifaceted approach to well-being, blending therapeutic and healing properties that nourish the skin, soothe muscles and awaken the senses.

DETOXIFYING RITUAL

80 minutes

Retreat into a ritual of heat and pure scent for an intense therapeutic transformation based on the skin care practices of the traditional hamam bathhouse. You'll be intensely cleansed with Moroccan mint tea and silt purifier, and vigorously scrubbed with coffee, olive stones and fresh lemons. A rich rhassoul clay will then be applied to draw out impurities. You'll recharge with quince and orange blossoms and then have all this goodness sealed in with warming curative essences of cardamom, jasmine, bergamot, amber and clove. Concludes with a massage.

EUPHORIA RITUAL

80 minutes

Enter into a euphoric state of being in this elegant body treatment designed to calm the nervous system and relax the mind. Your skin is nourished and cleansed with organic milk, exfoliated with bioactive peat enzymes and ripe, antioxidant-rich arctic cloudberries. Then, your lymphatic system is stimulated by a mushroom and phytonutrient wrap followed by an oxygenated ionizing mist. Your treatment finishes with a Canyon Ranch massage using arctic berry extracts and oils of cypress and birch to increase circulation and vitality.

REJUVENATING NEROLI CYPRESS BATH RITUAL

massage & BODYWORK

GET THE MOST FROM YOUR MASSAGE

TAKE TIME

Give yourself plenty of time before your massage so you can enjoy the steam room. Warm muscles benefit most from bodywork.

SHOWER

A warm shower just before your massage is relaxing and washes away any salts, minerals or chemicals that could clog pores when mixed with massage oils. Then put on your robe and meet your therapist.

(UN)DRESS THE PART

Unless the service description specifies that your massage will be received clothed, we recommend that you undress completely and wear just a robe to your massage. You will be able to take your robe off and cover yourself in privacy, and you will be draped with a sheet throughout the service. For services that are received clothed, shorts and a T-shirt are ideal.

TALK WITH YOUR THERAPIST

Before your massage, tell your therapist which areas you would like to focus on, and any areas to be avoided. During your massage, let your therapist know if you feel any discomfort. Communication is the key to getting the massage you want.

RELAX

Close your eyes and allow your mind and body to enjoy the quiet. Focus on how you feel. Breathe deeply and let tension slip away with each breath. Remember, this time is for you.

In-suite massages are available for guests occupying the Owners, Vista and Penthouse suites.

ACUPUNCTURE

ACUPUNCTURE

50 minutes

This ancient Chinese modality, endorsed by the National Institutes of Health, is useful in addressing problems such as musculoskeletal pain, arthritis, migraines, tension headaches, asthma, tendonitis and fatigue. Balance and heal your body with the combination of holistic acupuncture and a therapeutic massage – this combination is particularly good for relieving musculoskeletal pain and stress-related problems. Gain immediate, long-lasting benefits.

TREATMENTS FROM THE EAST

Asian therapies focus on restoring balance to body and spirit. Please wear light, loose-fitting clothing for these services.

5 POINT STAR

50 minutes

Steeped in ayurvedic tradition, this service focuses on healing through the scalp, hands and feet. This treatment connects body and mind, promoting harmony using traditional herbal infusions and oils.

A balancing bowl is used to realign the body's natural elements and stimulate marma points.

ABHYANGA MASSAGE

50/80 minutes

Abhyanga, loosely translated, means "attending to a part of the body in the present moment." A therapist performs this full-body, ayurvedic-style massage using warm sesame oil. Marmas, or subtle points of energy, are addressed on the face and feet to balance body, mind and spirit. This traditional therapy releases toxins, enhances immunity, nourishes the skin and creates deep relaxation.

AYURVEDIC SIGNATURE BODY WRAPS*

50 minutes

Avarna – Sanskrit for "envelopment" – is a beautiful description of the enveloping and cocooning effect of these body wraps. The treatments are dosha-specific (corresponding to your ayurvedic type) and designed to nourish, hydrate, tone, ground and revitalize your being. You may select from the following:

- **Herbal Rejuvenation** – a tri-dosha experience for whole-body nourishment, purification and hydration.
- **Cucumber and Aloe** – a soothing treatment designed to balance the fiery nature of pitta dosha (a perfect treatment for overexposure to the sun).
- **Lymphatic Detoxification*** – to stimulate lymph flow and eliminate toxins.
- **Herbal Cellulite Wrap** – helps reduce the appearance of cellulite, tightens skin and helps alleviate the sluggishness of kapha dosha types.

REFLEXOLOGY

50 minutes

A treat for your feet with whole-body benefits. Your therapist works on reflex points in the feet using thumb pressure. These points correlate to the individual organs and parts of the body. Activating these reflexes helps improve circulation and promote relaxation.

SHIATSU*

50/80/100 minutes

Relax, energize, awaken. In this active, rhythmic Asian technique, the therapist uses thumbs, fingers and palms to stimulate the body's energy system, applying pressure to acupoints and along meridians to balance yin and yang. Shiatsu is a deeply pleasurable whole-body tune-up.

SHIRODARA

50 minutes

This classic ayurvedic treatment induces a light state of meditation as a stream of warm, herb-infused oil is poured over the third eye and marma points along your forehead. Feel the serenity as the warm oils nourish your hair and scalp. An Indian balancing bowl, used on the soles of your feet, soothes the spirit and helps balance your body's energies.

THAI MASSAGE*

50/80 minutes

Harmonize your vital life energy with graceful, nurturing bodywork that promotes physical flexibility and ease. Using slow, focused movements and compressions to guide the body through stretches, Thai massage creates a feeling of lightness and comfort while encouraging a serene yet buoyant state of mind. Given on a traditional floor mat.
