RARE WINE COLLECTION

Oceania Cruises' new selection of rare wines includes labels that were carefully curated by our Sommeliers. These wines are considered to be among the best and are from the most well-known wine regions of the world. While wine is a matter of personal taste, certain bottles simply command respect. Every bottle is a reflection of the culture that produced it and the people who devoted hours and days, months and years to the art of winemaking. One of the contributing factors to the scarcity of these wines is their very small production. We invite you to enjoy this exclusive selection on board accompanying The Finest Cuisine at Sea®.
